

SAVAGE TURKEY SHOOT

So, it's that time of year again, and you want to give a tip of the hat to Thanksgiving by having a special encounter for your Savage Worlds campaign. What better than to have a special encounter with UNSPEAKABLE GOBBLING HORROR themed to the season? Depending upon what Savage Setting you're working with, maybe a horde of brain-gobbling zombies, an unstoppable cyborg killing machine, a haunting spirit, or infernal giant poultry would be most appropriate. Just for good measure, there are a few ordinary wild turkeys, too.
