

0.375"

1.75"

Foam Base Template

Cut piece of foam insulation board ("pink board") for base of ship, with hobby blade. Curve to appropriate height (see sides).

## The Stormstalker

Larboard (left) Starboard (right)

Deck

Aft Castle (no guns)  
Aft Castle (+2 guns)

Glue two sides together. (Stay sail and gaff.)

Glue together.

Back side Front side

Glue two sides of square sails together; do same for stay sail/gaff. Cut slits (dotted lines) in sails so they can fit together at cross-section. (Make slits wide enough to allow for thickness of cardstock.) For square sail, sail goes in front of mast and rigging. Glue base to deck.

Ship Model inspired by Mega Bloks "Captain Cutlass's Stormstalker" (Product 3620). No copyright or trademark challenge intended.

## The Lady Faire

Larboard (left) Starboard (right)

Deck

Aft Castle (no guns)  
Aft Castle (+2 guns)

Glue two sides together. (Stay sail and gaff.)

Glue together.

Back side Front side

Additional sails included for assembly options.

Foam Base Template

Foam Base Template

(Meant to represent the pregenerated sloop captained by "Captain Isaiah Kestrel." See <http://www.peginc.com>.)

## The Predator

Larboard (left) Starboard (right)

Deck

Aft Castle (no guns)  
Aft Castle (+2 guns)

Glue two sides together. (Stay sail and gaff.)

Glue together.

Back side Front side

Additional sails included for assembly options.

Ship Model inspired by Mega Bloks "Admiral Scathe's Predator" (Product 3619). No copyright or trademark challenge intended.

## The Grey Wolf

Larboard (left) Starboard (right)

Deck

Aft Castle (no guns)  
Aft Castle (+2 guns)

Glue two sides together. (Stay sail and gaff.)

Glue together.

Back side Front side

Additional sails included for assembly options.

"Ghost Ship" Version

### The Vanilla

Larboard (left) Starboard (right)

Deck

Aft Castle (no guns)  
Aft Castle (+2 guns)

Glue two sides together. (Stay sail and gaff.)

Glue together.

Back side Front side

Additional sails included for assembly options.

### The Ordinary

Larboard (left) Starboard (right)

Deck

Aft Castle (no guns)  
Aft Castle (+2 guns)

Glue two sides together. (Stay sail and gaff.)

Glue together.

Back side Front side

Additional sails included for assembly options.
